...from the heart

Dear Friend,

Children suffering from cancer and other serious problems can have fun-filled days when you support Camp Good Days and Special Times. You'll know your donation is being put to good use— you'll receive a postcard from a camper or family member telling you about their stay at Camp Good Days.

Our campers have a chance to experience all the traditional activities such as hiking, sailing, fishing and crafts. The camp also features a handicapped-accessible swimming pool.

Most important, it's a place where our kids can just be kids. Even if they have lost their hair from chemotherapy or have surgical scars, they are not "different" or "ugly" or "scary." At Camp Good Days, our kids can feel normal, healthy and hopeful.

I know firsthand how important those things are to children and their families. In 1979, my 9-year-old daughter Teddi was diagnosed with a

malignant brain tumor and lost her battle with cancer. Three years later, Camp Good Days was started as a memorial tribute to Teddi.

Now we help children and their families build lasting memories while dealing with cancer, AIDS, sickle cell anemia and violence.

The programs at Camp Good Days are offered free of charge. However, a program costs on average \$650 per camper per week because of the additional expense for special diets, equipment and medical staff. We need your help.

Your gift of \$25, \$50 or \$100 sponsors the activities that can make a child feel less like a cancer patient and more like just a kid. Put your stamp and address on the enclosed postcard, put the postcard in the envelope with your donation, and you will hear from one of our happy campers!

Sincerely,

Gary Mervis
Chairman & Founder

Dear Friend,

I think camp is **REALLY** special because it's very helpful and we play fun games. I love Camp Good Days! Thank you!
